

HELP PRESERVE FARMING IN SOUTH ACTON

THE CAMPAIGN FOR STONEFIELD FARM

ACT and SVT have launched a campaign to help fund the preservation of Stonefield Farm. We have the rare opportunity to permanently preserve one of Acton's iconic farms, and at the same time provide a home for a non-profit food rescue and relief organization. The Simeone brothers, Carl, Mike and Paul have agreed to sell Stonefield to the Boston Area Gleaners (BAG) a nonprofit, food rescue and hunger relief organization. BAG has in turn agreed to place a perpetual Agricultural Preservation Restriction (APR) on the property. The cost of this APR is \$1.9M and pending a successful Town Meeting vote on June 21, the Community Preservation Committee will provide \$1.2M toward this cost. This campaign seeks to close the funding gap for the APR.
